

Helmet Holder

The helmet holder (1) is located on the right side of steering shaft. To use the helmet holder, hang your helmet on the hook (2).

- * *Do not operate the TRX with a helmet attached to the holder; your ability to steer will be impaired. The helmet holder is designed for use while parked.*

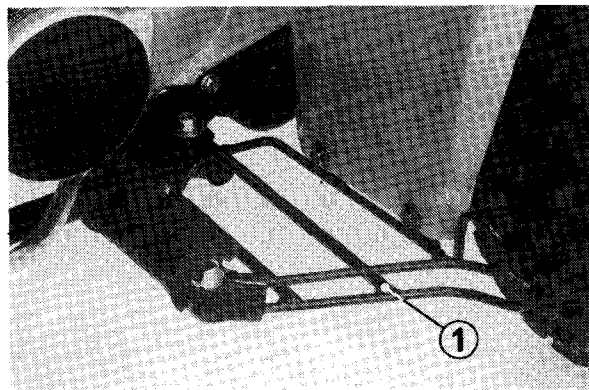

(1) Helmet holder (2) Hook

Step Guard

The step guards (1) are attached to the right and left footpegs.

- * *To prevent injury to feet and legs, do not remove the step guards from the TRX 70.*
