

# Contents

---

These pages give an overview of the contents of your owner's manual. The first page of each section lists the topics covered in that section.

## Introduction

**Motorcycle Safety ..... 1**  
Important safety information, a special message for parents, precautions about loading, accessories, and modifications, and the location of safety labels.

**Operating Controls..... 13**  
The location, function, and operation of the throttle, brakes, and other basic controls.

**Before Riding ..... 23**  
The importance of wearing a helmet and other protective gear, plus how to make sure you and your motorcycle are ready to ride.

**Basic Operation & Riding .....29**  
How to start and stop the engine, shift gears, and brake. Also, riding precautions.

**Servicing Your Honda.....41**  
Why your motorcycle needs regular maintenance, what you need to know before servicing your Honda, a maintenance schedule, and instructions for specific maintenance items.
