

XM[®] Radio (USA only)

To get your Radio ID number, push the TUNE/CH lever until CH 0 appears in the display under channel mode (Display channel 0 at only ALL Category search mode) (page 123) or choose Menu screen on the Setup/info menu, highlight XM[®] Info and press ENT.

Contact XM[®] Radio at www.xmradio.com, or at 1-800-967-2346 (1-800-XM-RADIO).

After you've registered with XM[®] Radio, keep your audio system in the XM[®] Radio mode while you wait for activation. This should take about 30 minutes.

While waiting for activation, make sure your vehicle remains in an open area with good reception. XM[®] Radio will continue to send an activation signal to your motorcycle for at least 3 hours from the activation request. If you miss that window, simply log onto www.xmradio.com refresh with your Radio ID and follow the steps to refresh the signal.
