

# Welcome

Congratulations on buying your new Montesa motorcycle! By having chosen Montesa, you now form part of a family of satisfied customers around the world who value Montesa's reputation as the creator of quality products.

To ensure your safety and enjoyment:

- Read this owner's manual carefully.
- Follow all the recommendations and procedures included in it.
- Pay careful attention to the safety messages included in the manual and on the motorcycle itself.

- The following codes in this manual indicate each country.
- The illustrations included in this publication correspond to the ED model.

## Country codes

Code	Country
ED	European direct sales
