

## Safety Labels

Safety and information labels on your scooter provide important safety information and may warn you of potential hazards that could cause

serious injury. Read these labels carefully and don't remove them. If a label comes off or becomes hard to read, contact your dealer for a replacement.

### **WARNING**

Improper loading can cause a crash and you may be seriously hurt or killed.  
See "Load Limits and Guidelines" in your Owner's Manual for complete instructions.
