

Before Driving

Before driving your SXS, you need to make sure you and your vehicle are both ready. This section discusses how to evaluate your driving readiness and what items you should check on your vehicle. It also includes important information about loading cargo.

Are You Ready to Drive?	54
Age & Size Recommendations	54
Protective Apparel	55
Get to Know Your Vehicle	56
Don't Drink & Drive	56
Is Your Vehicle Ready to Drive?	57
