

**⚠ WARNING**

• **A contaminated brake disc or pad reduces stopping power. Discard contaminated pads and clean a contaminated disc with a high quality brake degreasing agent.**

**CAUTION**

• **Avoid spilling brake fluid on painted, plastic, or rubber parts. Place a rag over these parts whenever the system is serviced.**

**Requisite Service**

- Front brake pad replacement (page 13-4)
- Brake system air bleeding (page 13-25)
